

Guardian Angels
2022 - 2023 School Year

The Guardian Angels ministry, started in 1994 is designed to continue relationships with and offer support to college and graduate school students who are a part of the BUMC family. Each student is linked with an individual, family, or group from the church who becomes that student's angel for the school year.

During the year, we ask angels to periodically send notes of encouragement, care packages, little gifts from the heart, etc., which will remind the students that their church family is praying for them and thinking about them. This program has been a great success and we need YOU to help it continue.

There are two options:

- A. Guardian Angels can be anonymous during the school year and then meet their students at the Reception in June.
or
- B. Guardian Angels can opt to continue an established relationship with a student.

To become a Guardian Angel, or to have one assigned to your child, please fill in this form. You may then place it in the offering plate, leave it in the church office, or give it to Lisa Kautz.

As most students are heading to school and starting classes, please return sign-up sheets as quickly as possible. You are also welcome to email the information to Lisa Kautz without using the form.

If you would like additional information or have questions, please contact Lisa Kautz at lmkautz@verizon.net or at (908) 642-5030.

Thank you for your support of this BUMC ministry.
